

Rotorua English Language Academy

Thank you, everyone, for your great support in July and August. We had a lot of short-term young students, and you opened your homes to them willingly. We are very grateful.

Most of you are having a homestay rest now, as our numbers are low again, unfortunately, until January.

We have had wonderful feedback from those students about their Homestay experience, and rest assured we could not run our school without you.

Also, we are hunting for hundreds of dollars worth of RELA library books and readers. If any of your students have left our books in your home, can you please bring them back to us.

A few reminders:

- Thank you for sending quick email replies when we email to tell you your students' arrival or departure information. It's important to know these messages have been received, otherwise we need to call you to confirm.
- You can call the RELA number between 8am – 5pm if you need to get a message to your student. Letitia or Reiko (whoever answers the phone) can pass it on.
- Please do not park in the school drive ways or where there are no actual parking lines. We have quite a lot of congestion and near misses due to people stopping to let their students out in these places, then reversing back into the road access.

A few useful links on our website. Please look at these when you have students.

The website is updated every Thursday.

Change in Circumstances:

Please kindly email and let us know if:

You adopt a new family pet

A family member leaves the nest or returns home

You're hosting another International student

You change your phone number or email address

You no longer wish to host for RELA

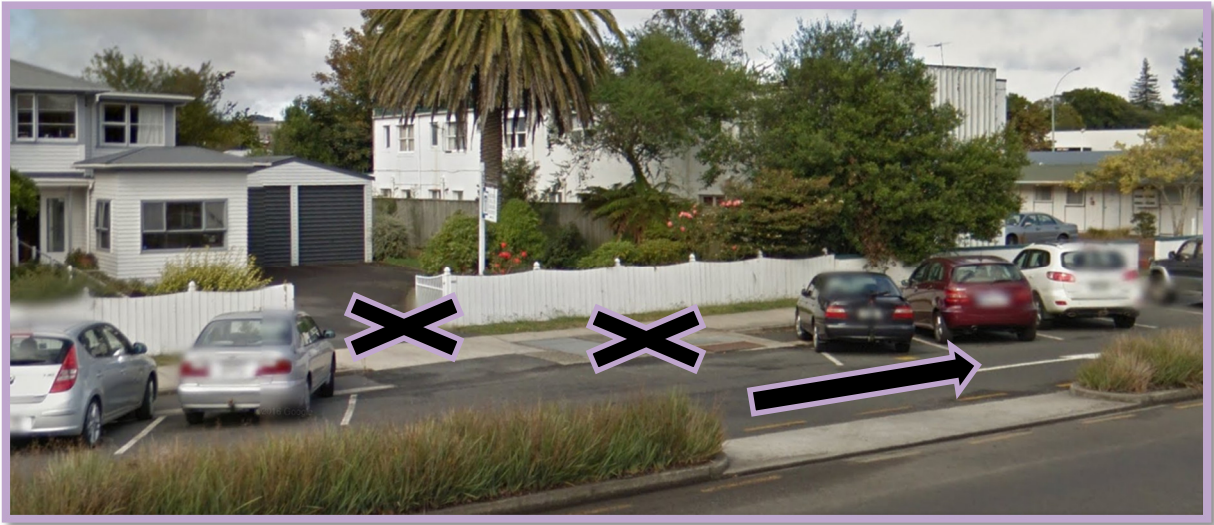

Confirmed Groups:

October 4

Lycee du Grand Noumea
from New Caledonia

October 8

Koumac and Kaala Gomen
from New Caledonia

Please help us to keep the school driveways clear at all times. Remember to travel in the direction of the marked arrows.

We appreciate your consideration in helping to keep the traffic flowing safely.

Many thanks to you all

Chris and Teri and the RELA Team
