CRANKWORX ROTORUA

Crankworx Rotorua is back for another week of insane mountain bike action from March 1 - March 8, 2020.

From Wednesday 4 March - Sunday 8 March the event will be held at Skyline Rotorua and will require tickets to enter.

Crankworx Rotorua took flight in March of 2015, becoming the first Crankworx festival outside of North America and Europe. Since then it's played host to some of the most memorable moments in Crankworx history. Each year, the festival kicks off the international competition season, bringing the best in the world to get amongst the lush forests in New Zealand.
