Women's Wellbeing programme

The Women's Wellbeing Programme is designed to help women of all cultures to fully realise their potential by visiting places around Rotorua to find out about the services that are available to them and their families.

They visit various organisations such as the Rotorua Hospital, Whakarewareka Forest, Citizens Advice Bureau, Rotorua Police Station, Rotorua Lakes Council, Dress for Success, The Arts Village and Ohinemutu Māori Village, where they can get first-hand information on topics that will help them to become well-settled members of the Rotorua community.

This programme is organized by The Rotorua Multicultural Council Inc. If you are interested in participating, please talk to Paula in the office.
