

RELA Weekly Notice

10 October 2024

The **Sir Howard Morrison Centre** in Rotorua is a dynamic performing arts venue located in the heart of the city. It hosts a diverse range of events, making it a cultural hub for the community.

In October, you can find a variety of performances including theatre, music, dance, and more. One of the highlights is a Halloween interactive event at the end of the month, perfect for those looking for a scary experience.

Whether you're interested in a night of theatre or a lively concert, there's something for everyone.

Tickets can be purchased through their website, so be sure to check it out for the full lineup and details!
